BACKGROUND:

Employment Services Connection (ESC) is an element under Career Employment and Information Services (CEIS).

The ESC Policy replaces the CEIS Grant Policy.

ESC initiatives provide eligible organizations and/or employers funding for Albertans to participate in employment-related delivery events and employment services in order to obtain and/or maintain employment.

INTENT: The ESC Policy:

- States policy requirements for employment-related delivery events and services
- Provides easy access to the legislation and federal agreements that provide the authority to deliver this service
- Enables delivery staff to improve processes
- Provides guidance to record and track grant activities in Mobius

POLICY: The CEIS Grant Policy has been replaced by:
