**BACKGROUND:**

Disability Related Employment Supports (DRES) provides funding for individualized supports/services that address the barrier(s) to employment created by an individual's disability. The costs for employee owned vehicle modifications have increased over the past few years.

**INTENT:**

To address the increasing costs of vehicle modifications the policy amounts for employee owned vehicle modification rates have been increased:

- First vehicle modification: DRES may contribute up to 100% of the cost to a maximum of \$50,000,
- Second vehicle modification, DRES may contribute up to 50% of the actual cost to a maximum of \$25,000 and
- Third (last) modification, DRES may contribute up to 25% of the actual cost to a maximum of \$12,500.

**POLICY:**

The following CEIS policy was updated:
