MESSAGE:

Advanced Education is now accepting applications for Integrated Foundational Pathways (IFP) training programs under the [Integrated Foundational Pathways](#) policy. The IFP policy was introduced in Policy Manual Update [ETS-2018-005](#) on June 5, 2018.

Approved training programs will provide adult Albertans with a unique blend of academics and applied skills development to allow them to build on their foundational competencies while preparing them for further education/training and/or employment.

IFP training program application form is available for review and download [here](#).
