mobius UPDATE

DATE: January 22, 2019

TO: Internal and External Users of Mobius

RE: Access to Mobius and myAlbertaSUPPORTS Citizen Portal

Mobius and the myAlbertaSUPPORTS Citizen Portal will not be accessible on Saturday, January 26th from 8:00 AM to 1:00 PM, due to planned scheduled maintenance.

The Mobius changes include:

- Users can contact Mobius Support to request that a note be completely removed from a client file.
- A new program code titled 'Integrated Foundational Pathways' (IFP) has been added to the Service Plan for Advanced Education.
- The Personal Health Number (PHN) field has been added to the 'Search and Register Person' screen.
- Updated Basic Personal Exemption rate which came into effect January 1st, 2019.
- For Integrated Service Delivery (ISD) users, the status for the Common Outcome Plan has been removed from the status field on the Cases tab.

We apologize for the inconvenience as a result of the outage.
