RE: Bulk Plan Item Data Fix

Hello,

This is to inform you that a data fix was performed **Friday, April 3rd, 2020**, no corresponding Mobius or MyAlbertaSupports Portal outages occurred as a result of this activity.

The fix resulted in the closure of all open plan items where the expected start date and end date are prior to October 31, 2019.

This fix is in support of government decisions requiring timely maintenance and accuracy of Mobius records.

Mobius users who enter plan items are to update and maintain plan items.

[Tools and Resources-Mobius](#) provides additional support material to assist with the use of Mobius.

Thank you,
