RE: New Plan Item: Attend LMDA Skill Development

This update is to advise that a new plan item, Attend LMDA Skill Development, has been added to Mobius exclusively for the use of service providers administering the Driving Back to Work grant program on behalf of the Ministry of Transportation.

Mobius will be used to document the federal reporting requirements to support the expenditure of Labour Market Transfer Agreements (LMTA) funds.

The Ministry of Transportation announced the [Driving Back to Work Grant](#) for unemployed Albertans. This announcement is in response to feedback from industry stakeholders and in anticipation of a persistent demand for commercial drivers.

The following Mobius Tools and Resources have been updated to reflect the new plan item:

- [Mobius Service Plan Summary](#) and
- [Plan Item descriptions](#) for the Training sub-goal.
