RE: Form – Training and Employment Service Request – EMP0016

Hello,

The Training and Employment Service Request (TESR) form is designed to collect the core data to be recorded in Mobius to meet provincial and federal performance measurement requirements. This update is to advise that the Training and Employment Service Request (TESR) has been modified to update:

- a) the weblink appearing in the Common Notification Statement, and
- b) eligible programs listed in the WCB Acknowledgement section.

The updated form is now available. Please discontinue using/destroy all previous versions of this form.
