**Fax:** 780-352-8558

**Programs Provided:** Residential  
Connections  
Lifestyle Options  
Summer Recreation

**Service Description:**

- To help persons with developmental disabilities to become active in the community
- To ensure that persons with developmental disabilities needs are met through a variety of programs

**Residential:**

- There are four adult homes, each staffed twenty-four hours a day
- They ensure that the client's physical, emotional, schooling or training and employment needs are met

**Connections:**

- This is a day program for adults who may have multiple disabilities
- This program provides quality care through small client staff ratios
- Parents and guardians are involved in planning individualized programs that aim for optimum enjoyment, optimum growth and community interaction and participation for clients

**Lifestyles Options:**

- Adults with disabilities and their proprietors are given the supports needed for clients to live in a private home in the community
- This alternative home program allows clients to live as part of the family while enjoying the benefits of professional staff input

**Summer Recreation:**

- This program is run annually for four months from May to August
- Camping, picnics, dinner theater, movies, group outings, football and baseball games, crafts, and cycling are only part of the summer fun
