

INFORMATION FOR NEW POST-SECONDARY PROGRAM STUDENTS

NOTE: If you are applying for academic upgrading (high school courses), DO NOT use this application form. Use the Upgrading Application instead.

WHO IS CONSIDERED A “NEW” STUDENT?

If you are applying to a [post-secondary program or trade](#) and any of these apply, you are considered a “new” student.

- 1) You have not received *Advancing Futures* funding before.
- 2) You have received *Advancing Futures* funding before but are applying to a new school or new program.
- 3) You have received *Advancing Futures* funding before but either (a) withdrew from your studies or (b) took six months or more off school (or one year for trade program students).

WHEN DO I APPLY?

Before applying for funding, you must have submitted an application to attend an educational institution. **Applications received prior to the June 1 deadline will be considered for funding for the full academic year. Applications received prior to the October 1 deadline will be considered for the Winter term, and prior to the February 1 deadline, for the Spring and Summer terms.** Applications received **AFTER** June 1, October 1 or February 1 will **NOT** be eligible for funding. Trade program students may apply throughout the year, provided your application is received 6-8 weeks prior to your start date.

ABOUT YOUR APPLICATION

Advancing Futures applications take 6-8 weeks to process. All sections of the application form **MUST** be completed before it can be reviewed. Incomplete applications will be returned and not processed.

The personal information collected on this form will be used to review your eligibility for the *Advancing Futures* bursary and the Alberta Adult Health Benefit program.

If you have questions about the *Advancing Futures* bursary program or this application form, you can call (780) 415-0085 (toll-free, dial 310-0000 first). You can e-mail us at HS.AdvancingFutures@gov.ab.ca or visit us at www.advancingfutures.gov.ab.ca.

THINGS YOU SHOULD KNOW

◆ Health Care Coverage

Students approved to receive an *Advancing Futures* bursary may be enrolled in the Alberta Adult Health Benefit Program if they meet the program’s criteria. (Students who have health coverage through Assured Income for the Severely Handicapped (AISH) or who have Registered Status under the Indian Act already receive health coverage and do not qualify for the *Advancing Futures* health benefit.) The Alberta Adult Health Benefit program pays for health services that are not available through standard Alberta Health Care insurance, such as eyeglasses, prescription drugs, and dental care. Additional information about *Advancing Futures* student health coverage can be found on our website at www.advancingfutures.gov.ab.ca.

◆ **Staying In Touch**

If your personal information (address, bank account direct deposit information, phone number or e-mail, etc.) changes, you must contact the *Advancing Futures* bursary program IMMEDIATELY! Failure to notify the program of changes may affect your funding.

◆ **Your Responsibilities Concerning Funding**

Recipients may be provided a maximum fixed monthly living allowance based on double occupancy.

I'VE SUBMITTED MY APPLICATION. NOW WHAT?

Completing your application is the first step of the process for receiving funding. Once your application has been reviewed for completeness and it has been determined that you are eligible to receive funding (this may take as long as 6-8 weeks), you will be notified of your next steps by your program coordinator.

Students who meet the program requirements will be **CONDITIONALLY APPROVED** for funding. At this point, you will receive a letter explaining any further steps that need to be completed. **ALL STUDENTS** who are conditionally approved will be required to complete the *Advancing Futures* Online Orientation and the Resiliency Survey before they can receive final approval for funding. A letter explaining how to do this will be mailed to you once you are conditionally approved.

When you have completed all of the requirements outlined in your Conditional Approval letter, *Advancing Futures* will provide final approval of your application for funding.
