

# THE DUKE AND DUCHESS OF CAMBRIDGE SCHOLARSHIP

## ABOUT THE AWARD

To commemorate the Duke and Duchess of Cambridge's Royal Visit to Alberta in July 2011, the Government of Alberta established the *Duke and Duchess of Cambridge Scholarship*. The scholarship recognizes the exceptional educational achievements of students who have been in government care. The scholarship reflects the important value the royal couple places on education and creates a special legacy in honour of their important tour of our province, while making a positive and lasting difference for bright young Alberta scholars who have overcome significant challenges in their lives.

The scholarship is an enhancement to the Alberta government's *Advancing Futures* bursary program, which offers financial assistance and guidance to youth who are or have been in government care. The \$2000 scholarships will be awarded to 25 students each year based on their previous year's academic performance. Last year's winners ranged from a 3.0 - 4.0 GPA. Award winners will receive their congratulatory letter from *Advancing Futures* near the end of October 2018 and will receive their scholarship cheque from Advanced Education and Technology near the end of November 2018.
