

Edmonton Region Neighbourhood Centres

Our Neighbourhood Centres are the main community contact for reporting, assessing and investigating concerns surrounding a child or youth's safety and wellbeing. They also provide ongoing case management for children, youth and families in need of Child Intervention Services. If you have questions about parenting, need information about community resources, financial support programs, foster care, adoption or kinship care contact the Neighbourhood Centre closest to you. Our hours of operation are Monday - Friday from 8:15 am - 4:30 pm unless indicated otherwise.
